Programme Notes

SCHUBERT

Arpeggione Sonata for Cello and Piano, D821

Franz Schubert Arpeggione Sonata in a minor for Cello and Piano, D.821 (This piece was composed for Arpeggione which was a bowed guitar. This sonata is full of challenging, both technically and musically.)

JEROME DUCROS

Encore

Jerome Ducros Encore for Cello and Piano. (A highly modernist French composition, a skilful piece for cello and piano, originally played as an encore, hence the name.)

Programme notes by Liu Jiaqi.
